HARBOUR FEES:

Members will pay an annual fee for harbour space & storage. The harbour fees include docking, electricity & water, haul-out in autumn with high pressure bottom scrub, winter storage on a member supplied cradle, and launch in the spring. There is no charge for emptying the waste system. The annual rate is \$11.50 per square foot (maximum length x maximum width) for each boat and is billed 1/12th monthly. Dry dock, dry sailboats and empty trailers are charged 75% of the docking and storage full annual fee. Half applies in June for the summer, and half in January for winter storage.

Notes (for full rules and guidelines, please refer to the club bylaws):

All above amounts include the spouse and children younger than 18. Older children may accompany their parents as guests up to 5 visits per year, or become a member themselves. **Junior members** are children aged 10 to under 18 whose parents are not members of the Club. Their membership annual rate is \$161. Junior members are subject to specific restrictions and are not entitled to bring guests to the Club. Race Crew conditions & fees are determined annually by the Executive Committee.

*All above prices are taxable, except docking fees that are tax exempt.
